In this contract, the Murdale Water District of Jackson County, Illinois, shall be known as “WATER DISTRICT” and
_____ shall be known as “CUSTOMER”.

A PHOTO I.D. WILL BE REQUIRED OF ALL NEW CUSTOMERS

The Customer agrees to abide by the Ordinances of the Water District.

In the event Customer is delinquent in any payment required by this application or in default of, any Water District Ordinance or State or Federal Regulation or Statute, on the property described herein. The Water District shall have the right to refuse to reconnect water service until such time as Customer is no longer delinquent or in default as set forth herein and pay a \$50.00 reconnection fee.

The Customer agrees to pay all attorney fees and costs incurred by the Water District in the event it is necessary for Water District to retain legal counsel to pursue collection of sums due it by Customer, to enforce any of the rules, regulations or ordinances of Water District or any other reason related to the water service application.

The Customer further agrees that the Water District has Customer’s approval to construct a water service line on the Customer’s property and to set a meter box, and related appurtenances on Customer’s property. And to operate, inspect, and otherwise maintain those items which have been constructed or set on Customer’s property by the Water District.

Failure to receive a bill does NOT relieve the customer of liability to pay or applied late fee.
